ASSUMPTION OF THE BLESSED VIRGIN MARY

The Catholic Church teaches as dogma that the Virgin Mary "having completed the course of her earthly life, was assumed body and soul into heavenly glory".

This doctrine was dogmatically defined by Pope Pius XII on 1 November 1950, in the apostolic constitution *Munificentissimus Deus* by exercising papal infallibility.

While the Catholic Church and Eastern Orthodox Church believe in the Dormition of the Theotokos, which is the same as the Assumption, whether Mary had a physical death has not been dogmatically defined.
